

Dr. Samuel P. Mikhail

2014-2107 Marilyn C. Link Endowed Teaching Chair in Financial Management

Dr. Samuel P. Mikhail, Professor, Social Sciences-Economics Department, recipient of the Marilyn C. Link Endowed Teaching Chair in Financial Management, created a Center of Applied Economics (CAE) with a focus on economic analysis and application of economics principles. The main goal of the project is to improve the analytical skills of students in preparation for employment in related fields, with emphasis on data collection and presentation, policy making and managerial decision-making skills. The Center is delivering a series of workshops for students in the Economics Club and other majors as well.

Dr. Mikhail joined IRSC in 2007. He holds a Bachelor's and Master's Degree from the University of Montreal and earned his Ph.D. in Economics from McGill University.
