2016-2019 Community Endowed Teaching Chair in Fine Arts

**David Moberg**, Professor of Fine Arts and Chair of the Visual and Performing Arts Department, will develop a Directing Tutorial Initiative (DTI), for IRSC Bachelor's Degree students and theatre program alumni to direct small cast theatre productions in the Wynne Black Box Theatre and/or McAlpin Fine Arts Center. This experience will require the directors to demonstrate critical and creative thinking in communicating the emotional and intellectual experience of the play, while utilizing the actors, set, lighting, theatre space, costumes, audio, and script effectively.
