2021 ENDOWED TEACHING CHAIR APPLICATION **Deadline to Receive Applications: February 15, 2021**

Introduction: The Indian River State College (IRSC) Foundation initiated the Endowed Teaching Chair Program in the year 2000. The purpose of the Endowed Teaching Chair Program is to recognize and encourage excellence in teaching, provide a means for both teaching and non-teaching faculty to further contribute to the excellence of the College, enhance the quality of instruction available to students and promote awareness throughout the College and community that outstanding teaching is highly valued at IRSC. The Endowed Teaching Chair Program is made possible by contributions to the IRSC Foundation. To date we have secured the funds to endow 13 Chairs, which are available on a rotating schedule in multiple disciplines.

Endowed Teaching Chair Eligibility (four available for 2021): You are eligible to submit an application for the endowed teaching chair if you are a full-time teaching or non-teaching faculty member, have two full years of service at IRSC at the time of application, and are in good standing with your Dean.

Award: Each recipient will be awarded an annual stipend of \$6,000 per year, for three consecutive years, dependent upon the annual Foundation spending policy. Two-thirds of the stipend (\$4,000) must be used to implement the proposed plan to improve instruction and/or enhance professional development at IRSC. One-third of the annual stipend (\$2,000) will be paid directly to the recipient in recognition of his or her outstanding contribution to the College's mission. Recipients must maintain continuous full-time employment at IRSC in order to receive the annual stipend. The honorees will be announced in Spring 2021 and formally awarded and presented with the "Golden Medallion" in the Fall.
