To the best of my knowledge and belief the statements and figures contained herein are complete and accurate.

\_\_\_\_\_  
Student's Signature

\_\_\_\_\_  
Parent's Signature

Ensure that you attach a Counselor Form, **ALL** Award Letters from FAFSA & Universities, & Parent's Tax Return. Also, a **typed essay of 250 words or less** on "*What sets you apart from others for the Agnes Peebles Memorial Scholarship?*"

A written Trust Agreement was established in **1953** by Mrs. Agnes Peebles.

The purpose of this scholarship is for a female graduate of a high school in Indian River County to attend a four-year university under the supervision of the Florida Department of Education. The student does not have to be a recent graduate but must be a graduate of a high school in Indian River County (public or private). The selection is based on financial need, plus the firm desire for a university education. The student does not have to be an "A" student or the President of her Class. Scholarship amounts will vary depending on available funds. Note: This scholarship will continue every year for a four-year bachelor's degree program as long as the student maintains "C" grades in each class at the university and is enrolled as a full-time student.
