

Teresa Hasenauer

2009 – 2012 BankAtlantic Foundation Endowed Teaching Chair

As the recipient of the BankAtlantic Foundation Endowed Teaching Chair, **Teresa Hasenauer**, Assistant Professor of the Learning Assistance Department, created mathematics videos to enhance understanding of mathematical concepts for students in college preparatory math courses. The videos were also added to the College's math website as a resource for traditional and online math students. Also offering professional development opportunities for faculty, the videos were used to observe model teaching practices.

Hasenauer joined IRSC in 1992. She received her Bachelor's Degree from Wake Forest University in Winston Salem, N.C. and her Master of Science in Teaching Degree from Florida Atlantic University in Boca Raton, FL.
