In 2010, IRSC celebrates its 50th anniversary as the area’s major resource for postsecondary education and career training. The past five decades demonstrate a tradition of excellence, with planned growth and expansion paving the way for continued service to our students and communities.

Despite the funding challenges faced by all state and local agencies, IRSC has expanded its enrollment and provided an increasing number of students a local, affordable option for their education. In 2009 - 2010, the IRSC Foundation provided more than $2.2 million to help hundreds of students through scholarships, and $2.5 million to IRSC for enhanced facilities and instructional support.

Your charitable gifts are crucial in our ability to provide the resources necessary to prepare tomorrow’s students for advanced education and emerging careers. We thank our extended family — the community, alumni, donors and partners — whose loyal, collective support infuses life into our mission and purpose to serve students with excellence today and tomorrow.

The following pages share more about our plans for upcoming initiatives. We welcome your telephone calls, emails, or visits to learn more about how you can partner with us to help students and our community.

IRSC Foundation Board of Directors

STRENGTHENING OUR COMMUNITY TODAY...

Building a Brighter Tomorrow

The IRSC Foundation provides the margin of excellence to help IRSC maintain its reputation as one of the top state colleges in the nation. Gifts from generous friends and donors support IRSC through the Foundation via three key areas:

- Scholarships
- Enhanced Facilities
- Faculty / Instructional Support

Empower the Future

You can leave a legacy to benefit future generations. For a one-time only gift of $10,000 or more, you can establish an endowed fund to help students. As only the generated interest is used annually, an endowed fund is a permanent way to fund scholarships, teaching chairs, and more — long beyond your lifetime.

Helping Students Can Help You Too!

In addition to the joy you’ll receive through helping others, you may realize significant tax savings! The IRSC Foundation is a 501 (c)(3) non-profit corporation, and major gifts may be pledged for up to five years.

WAYS TO GIVE:
Unrestricted Gift
Your gift can address critical needs.

Restricted Gift
You may specify a particular area.

Scholarship Fund
Establish a “custom” scholarship to match your interests or honor a loved one.

Donor Advised Fund
You may recommend which eligible organizations to fund and we will administer your Donor Advised Fund.

You can make a difference by giving:
- Cash
- Stocks and Bonds
- Real Estate
- Planned (Deferred) Gifts

Questions? Please contact Ann Decker at 772-462-4786 or adecker@irsc.edu

Many IRSC students successfully juggle academics, employment, and family responsibilities in order to graduate. You can help students to overcome financial barriers and attain their dreams.

With scientific innovation vital for regional economic success, IRSC is preparing students with the science and critical thinking skills needed for high-skill, high-wage careers of the future.

Through private gifts to the IRSC Foundation, the College provides enhanced learning environments with advanced technology and equipment to help prepare students for emerging careers.

In 2009 - 2010, the IRSC Foundation provided scholarship support to more than 2,100 students. As these young people graduate and enter the workplace, our community improves.
Many IRSC graduates received scholarship assistance through the IRSC Foundation, thanks to the support of individuals, businesses, and foundations.

The Junior League of Martin County has established a scholarship fund to benefit deserving IRSC students who have been actively involved with the Pace Center for Girls in Fort Pierce. (L to R) Kathy Creswell, JLMC President; Karlette Peck, JLMC member; Melissa DePriest, IRSC Foundation Development Coordinator; Ann Decker, Executive Director of the IRSC Foundation; and Lisa von Seelen, Pace Center Executive.

The Anne R. Snyder Award annually recognizes outstanding faculty who serve as department chairs. Above, Sherry Bowen, Chair of the Biology Department, is congratulated by Dr. Massey.
Lifelong Learning Institute at IRSC
Highlights
- Expanded opportunities for more than 500 men and women age 50 and better in peer-led and peer-directed programming on branch campuses
- Broadened public reach in our efforts to endow the Lifelong Learning Institute
- Successfully directed the sold-out IRSC Performing Arts Series

Pioneer River Press Highlights
- Held several art exhibit and book signing receptions to promote Treasured Waters – The Indian River Lagoon
- Continued marketing Pioneer River Press publications

Planned Gifts Highlights
- Increased the number of gift annuities and bequests to benefit students
- Enhanced the website to better meet the needs of donors and financial professionals

President’s Challenge/Take Stock in Children Highlights
- Awarded four-year tuition scholarships to 60 new middle and high school students who will be the first in their families to graduate from college
- Provided mentors, guidance, and support to more than 250 high school students who are earning their scholarships by remaining in school and staying out of trouble

River Hammock Student Housing Highlights
- Continued to offer convenient and affordable on-campus housing
- Improved technology and increased security measures for students
- Offered convenient payment options to students and parents

Scholarship Highlights
- Awarded $2.2 million in scholarships – including health science scholarships, Baccalaureate Degree scholarships, transfer scholarships for IRSC Associate Degree graduates, and scholarships for new and returning IRSC students
- Established more than 25 new scholarship funds to benefit IRSC students

“My scholarship through the IRSC Foundation made it possible for me to attend college. At IRSC, I was a member of DECA, a student group for business majors. This opened many doors for me – during the annual competition, I competed and won at the international level. Today, I am a financial aid advisor and help other students.”

Sasha Ramirez, Bachelor’s Degree graduate, 2010.
Critical Areas of Need - Current Campaigns

IRSC continues to be on the cutting edge, providing new programs and training to serve the needs of our business community. Our goal is to remain ahead of the local, regional and global trends in the job market. To accomplish this, our current fundraising efforts focus on the following critical areas of need:

- Science, Technology, Engineering & Mathematics (STEM) Building
- IRSC Scholarships
- Lifelong Learning Institute at IRSC Endowment
- Annual Giving
- Take Stock in Children Scholarships

Planned (Deferred) Gifts Empower the Future

We are working hard at supporting our future so we can continue doing what we do even better into the future.

We offer many Planned Gift options to help you choose the gift that is right for you and your family.

Visit the Interactive Planned Giving section of our website at www.irscfoundation.org. You may also contact Ann Decker at 772-462-4786 or adecker@irsc.edu to discuss how you can leave a legacy to benefit future generations.
In 2009-2010, the IRSC Foundation awarded nearly $2.2 million in scholarships to help 2,100 deserving students attend college.

**How Can You Help?**

You don’t have to be wealthy to make a difference in a student’s life. With a minimum of $500, you can establish an annual IRSC scholarship. Scholarships may fund tuition, books, and/or living expenses. We’ll administer the scholarship at no charge, and monitor the recipient’s academic progress. You may also establish a permanently endowed scholarship to continue beyond your lifetime for a minimum of $10,000.

With the generous support of the Deerbrook Charitable Trust, the Take Stock in Children program has provided 112 students incentive-based scholarships that are proven to break the cycle of poverty by providing hope and a college education. During the 2010 annual awards ceremony, Mrs. Rosamond Clark (center) met the current recipients.

Carol Webb (right) of the Sailfish Point Foundation, congratulates the recipients of scholarships provided by this generous organization which has changed the lives of dozens of students.

Jeanette Mueller (left), served as a mentor throughout middle, high school, and college to Take Stock in Children Scholarship recipient Nicole Durham, who graduated with a Bachelor’s Degree in Public Safety Administration. Nicole was an IRSC Ambassador, and Treasurer of the Campus Coalition Government while at IRSC and plans to attend law school.

Area organizations and individuals provide four-year tuition scholarships to deserving, at-risk children through the President’s Challenge/Take Stock in Children Scholarship program, as long as they maintain good grades and stay out of trouble. Administered by the IRSC Foundation, this innovative program helps students in Indian River, Martin, Okeechobee and St. Lucie counties.

You can provide a four-year college tuition scholarship through the Take Stock in Children program for a one-time gift of $8,000!
OUR REGION'S CONTINUING ECONOMIC DEVELOPMENT AS THE “RESEARCH COAST” HINGES ON PROVIDING STUDENTS WITH A WORLD-CLASS EDUCATION IN THE DISCIPLINES OF SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS (STEM).

Located at IRSC’s fastest-growing campus in St. Lucie West, the new 47,619 square-foot multi-story STEM Building will house:

- State-of-the-art, computer-equipped teaching labs designed to link math and science concepts to practical research, engineering, and industry applications through “real world” projects
- Technology-supported classrooms with the capability to receive and transmit presentations between IRSC’s Main Campus, area research institutes, and community STEM resources
- Science labs to support teaching and student research in the areas of biology, microbiology, biotechnology, anatomy and physiology, chemistry, environmental sciences, botany, and other life sciences
- Technology-enhanced “knowledge room”, where students will collaborate on research projects and present their projects to business and industry leaders.

THE STEM BUILDING CAMPAIGN

The IRSC Foundation’s goal is to raise $1 million in private support to enhance the technology and equipment needed to furnish the STEM Building. You can help through gifts of cash, appreciated stocks, real estate, charitable gift annuities, and more. Major gifts may be pledged for up to five years.

NAMING OPPORTUNITIES ARE AVAILABLE

You can permanently link your name to an IRSC classroom, lab, or educational area through a naming opportunity. Many highly-visible locations are perfect for honoring loved ones, increasing awareness of your business, and demonstrating your support of IRSC and our community.

View the list of naming opportunities at www.irscfoundation.org or call 772•462•4786.

To help through an outright or deferred gift, please contact Ann Decker, Executive Director of the IRSC Foundation, at 772•462•4786 or via e-mail at adecker@irsc.edu.
Alumni reminisce about their days at “The River” during an alumni reception hosted by the Foundation. During the 2010 NJCAA Swimming and Diving Championships on March 3-6, 2010, the men won their 36th consecutive and the women won their 29th consecutive championship.

Alumni and honorary chairmen J. Hal Roberts Jr. (left) and Joseph P. Lembo (right) celebrate with fellow Foundation Board member and sponsor Dr. John Mallonee at the IRSC Swing. Alumni, area businesses, employees and friends have helped to raise more than $150,000 to support student scholarships through the always sold-out annual event. Support the 2011 tournament May 20th at the Vero Beach Country Club!

SUPPORT YOUR ALMA MATER. JOIN THE IRSC ALUMNI ASSOCIATION!

Show your IRSC Pride
• Connect with Fellow Alumni • Enjoy Great Discounts and Benefits

Are you an IRSC Alumni? Your educational experience at “The River” helped you to prepare for the future – a future filled with increased opportunity and a variety of choices that would not have been possible without a degree from IRSC. Support your alma mater by joining the IRSC Alumni Association today for a special discounted price of $10. As a member, you will receive a membership card giving you access to a variety of exclusive alumni benefits and discounts.

Visit the Foundation website to enroll and to browse a list of participating merchants that will honor the discount card during the 2010-2011 calendar year. These discounts – as high as 20% at some locations – will save you on everything from retail shops to restaurants to spa services and much more.

Become a Business Partner to provide benefits to our alumni members. This partnership is a great way for businesses to introduce themselves and their products and/or services to more than 50,000 IRSC alumni. To become a business partner, please contact Susan O’Brien, Alumni Relations, at 772-462-7251. Business partners receive a window display and are listed on the website and in publicity materials.

ENDOWED TEACHING CHAIRS
AWARD FACULTY EXCELLENCE

Thanks to private support, IRSC offers Endowed Teaching Chairs in numerous disciplines on an annual basis. In a highly-competitive process, faculty members submit proposals for projects to benefit students. Upon being selected, winners receive funding to implement their educational projects. View winning projects at www.irscfoundation.org.

To learn more about establishing an Endowed Teaching Chair, please contact Ann Decker at 772-462-4786 or adecker@irsc.edu.

IRSC FOUNDATION’S PROGRAMS BENEFIT COMMUNITY

Working with Roy Lambert, Lambert Foundation and thirteen additional founding members, the IRSC Foundation established the Dan K. Richardson Entrepreneurship Program. This multi-faceted program increases awareness of America’s free enterprise system among students and the community through:

- Entrepreneur of the Year Event
- Endowed Teaching Chairs
- Distinguished Lecture Series
- Scholarships

ENTREPRENEUR OF THE YEAR RECOGNIZES BUSINESS SUCCESS

Each year, the IRSC Foundation recognizes an outstanding business founder or leader through the Entrepreneur of the Year Award. Nominations are submitted by the business community for this prestigious award, and this year’s recipient was Alma Lee Loy.
Power your brain by joining the Lifelong Learning Institute (LLI) at IRSC. LLI is designed to celebrate the wisdom of men and women age 50 and better with expanded programming in Vero Beach, Fort Pierce, Port St. Lucie, Stuart and Okeechobee. The concept of peer-led and peer-directed programming, where members are both student and teacher, is the key to the continued success of LLI at IRSC.

Interested in getting involved? Membership, peer leadership and volunteer information may be found at: www.irscfoundation.org.

**IRSC FOUNDATION’S PIONEER RIVER PRESS PROVIDES SCHOLARSHIPS TO STUDENTS**

The Pioneer River Press, owned and operated by the IRSC Foundation, publishes books to raise funds for student scholarships. Since its inception, the Press has helped dozens of deserving students attend IRSC.

**PIONEER RIVER PRESS PUBLICATIONS**

- *Treasured Waters – The Indian River Lagoon* by artist Richard Kelly and author Camille S. Yates
- *Excursions in Geography* by James Lett, Ph.D.
- *The Early Years of Port St. Lucie, FL* by Strelsa Schreiber
- *Beautiful and Rare Birds of Florida* by Alto “Bud” Adams, Jr.
- *Throw me the Bottom Line ... I’m Drowning in E-mail* by John S. Fielden, Ph.D., Jean D. Gibbons, Ph.D. & Ronald E. Dulek, Ph.D.
- *Two Lives, One Love* by Jay Dickinson
- *Words to Teach By* by Henri Sue Bynum, Ph.D.
- *Fundamentals of Nursing* (CD) by Mary Jane Hopkins, MSN, ARNP, and Maria Seidel, MS, ARNP

The Distinguished Lecture Series has successfully expanded to two IRSC campuses with more than 400 subscribers enjoying experts on current issues. Pictured (L to R) Sandee and LLI Advisor John Carberry, Foundation Director Ann L. Decker, LLI founding members Bob and Patty Schmidt, Tom Weber, guest speaker from University of Notre Dame, Dr. John A. Weber, Madeline Weber, Tom’s wife.

The Lifelong Learning Institute continues the College’s tradition of presenting the IRSC Performing Arts Series to a sold-out house. The four-part series opened with the “Voice of Broadway” Betty Buckley (center).

Pictured are LLI Advisors Karen and Richard Bancroft with Ms. Buckley.

More than 75 volunteer peer leaders share exciting educational programs on a wide variety of member selected topics. Peer leader Jim Gillespie continues to lead photography offerings which have included some interesting models for pointers in composition. That’s Jim to the left of Abe Lincoln.

Local landscape artist Rick Kelly, whose book *Treasured Waters – The Indian River Lagoon* was published by the Pioneer River Press, autographed books for IRSC employees at a recent Art Show. Rick Kelly produced more than 70 original paintings to raise scholarship funds for deserving students.

Imagine being curled up with a good book and at the same time having the inner satisfaction of knowing that you are helping deserving college students achieve their dreams. Proceeds from Pioneer River Press publications support student scholarships. Visit www.PioneerRiver.com to purchase books on a variety of topics.
Indian River State College
Foundation Giving Clubs

We gratefully acknowledge the generosity of those who support the mission of Indian River State College.

The following contributors made gifts from September 16, 2009 through September 30, 2010.

*Deceased

Housewife Millie Daniels died in 2003...This year, she’s sending 18 students to nursing school at IRSC. Due to financial obstacles, Millie was unable to pursue her lifelong dream of becoming a nurse. Through a trust established by Millie and her husband in 2003, 94 students have been able to fulfill their dreams in Millie’s honor.

Car Dealer George Stanich died in 1997...This year, he’s providing scholarships to 59 students who are earning their Bachelor’s Degree. Thanks to a bequest, 320 students have benefitted from his legacy since 1997.
THE PRESIDENT'S CLUB – LIFETIME

Members of the President's Club – Lifetime have provided a gift of $10,000 or more in a calendar year, established an endowment with a personal gift of a minimum of $10,000 or more, and/or irrevocably assigned a life insurance policy of $25,000 or more to the IRSC Foundation. Members of this elite group are recognized throughout their lifetimes, receive engraved plaques and are invited to special invitation-only events, including the President's Holiday Gala.

Corporate partners provide much-needed funding to advance IRSC’s mission. Here, Julie Smith (L) of Verizon Communications presents Ann Decker (R) with a gift to support the Brown Center for Innovation and Entrepreneurship. Private funds help to close the gap between state funding and the funds needed to equip IRSC facilities with the technology and equipment to train and educate today’s students.

The Indian River State College Foundation honors outstanding donors through nominations for the Association of Fundraising Professionals’ (AFP) National Philanthropy Day, which recognizes philanthropists and volunteers whose achievements have made a significant impact in our community. In 2009, Foundation nominees Edwin and Iris Arnowitt were selected by the Treasure Coast Chapter as Outstanding Individual Philanthropists.
The Brown Center for Innovation and Entrepreneurship (BCIE) is under construction at IRSC’s Main Campus in Fort Pierce. This innovative “green” facility is designed to prepare students for careers in nanotechnology, alternative energies, sustainable building design, architecture, science, engineering and business.

Through private gifts, IRSC educational facilities are equipped with the latest technology which meets or exceeds what graduates will find in their future workplaces.

Andy Morgade (R), and his wife Fran sponsor the Robert Morgade Memorial Scholarship to honor their son’s memory. Melissa Lopushinsky, recipient, is pursuing a Bachelor’s Degree in Organizational Management. Ann L. Decker (L), joins Mr. Morgade in congratulating Melissa.

The Port St. Lucie Newcomers Club supports scholarships to IRSC students. Members of the Newcomers Club (seated) presented two recipients (standing) with scholarships. Civic organizations, businesses, and individuals are vital partners with the IRSC Foundation in providing scholarships.
GOLDEN PIONEER CLUB

The Golden Pioneer Club recognizes donors who make an annual contribution of $500 - $999 in cash, securities, or property. Membership is maintained as long as the annual commitment is continued.

Alumni Row, located at the Main Campus, permanently recognizes students who graduate from IRSC and also raises funds for student scholarships. Commemorative bricks are engraved with the name and class of the graduate.

Membership in IRSC’s Alumni Association, sponsored by the IRSC Foundation, helps alumni to support their alma mater. Annual membership is $20 (half-price special through December, 2010) and entitles members to many resources and benefits.

Donations of in-kind gifts enhance IRSC’s learning environment. Disney’s Vero Beach Resort sponsored the Children’s Reading Area of the Brackett Library. Here, resort cast members are pictured with the attractive murals they painted to enhance children’s visits to the Library.
